

Demon Hunter Game Manual

The Hunter

Summary:

Mankind is at the brink of extinction. An elf who was adopted by human determined to save the humanity as he was given the Soul Inquirer, a cursed shield that allows one to look into one's essence and to utilize soul arts. The hunter discovers the cause of the apocalypse as he journeys on.

Control:

W, A, S, D keys: move your character up, left, down, right.

Arrow keys: move your character up, left, down, right.

X key: use Detect.

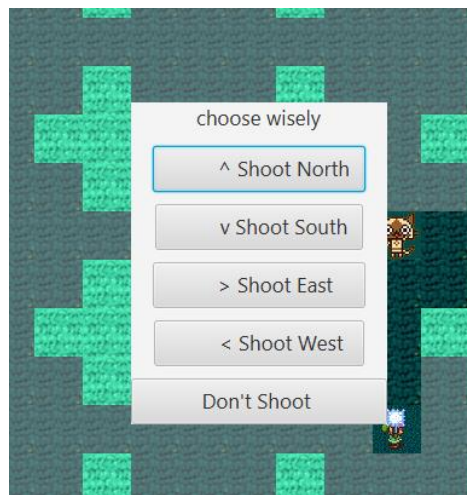

Z key: use Soul Cannon.

Mouse: can click on any button on the screen

Demon Hunter Game Manual

[1] Soul Cannon: click this button to prepare for the shoot.

Wisely consider which direction to shoot because if you missed, the demon will start looking for you.

[2] Wall: your character cannot walk through it.

[3] Fog: walking through it will clear the fog and reveal what lies behind.

[4] The Hunter: Your character.

“he who believes that humanity worth saving”

[5] Win condition.

Demon Hunter Game Manual

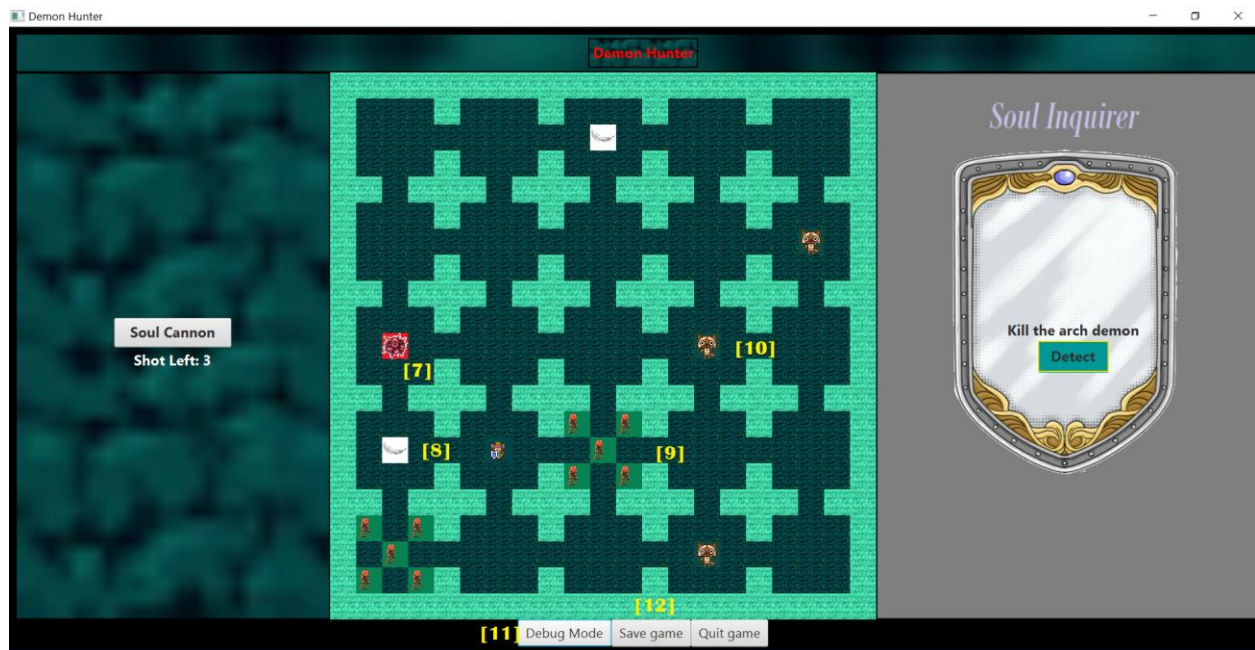

[6] Detect: click this button or press "Z" to check the surrounding rooms (northern room, eastern room, southern room, and western room) for clues from your character's position.

Boss = "A chill ran down your spine. An arch demon is close by".

Trap = "You can hear anguish screaming of tortured souls".

Small enemy = "You feel the present of another living soul nearby";

Ammo = "You feel a blessing aura";

[7] Arch Demon: the boss that you have to kill, in order to win. Whenever the boss moves, it leaves a trace behind. Look for those hints.

"Legionnaire, one of the 43 demons summoned by the new demon king"

[8] Piece of heaven: collecting it will increase your ammo.

"when saints die, they drop heavenly feathers as they take off to heaven"

[9] Undead mob: walking into this area will kill the hunter immediately.

"there are fates worse than death"

[10] Tricky cat: a story-loving creature, rarely seen by human but it likes witnessing catastrophes. Meeting it will bring up a dialog.

-giving it a piece of heaven will keep the cat quiet.

Demon Hunter Game Manual

-Telling a story to its liking can make it becomes your ally.

-Ignoring the cat will cause you trouble.

[11] Debug mode: click this button will clear up the fog in the entire map

[12] Save game: click this button will allow you to save the game. You can load your save file at the start screen.
